

ABOUT TWOTIX "Go-MuSo"

This is a collection of Music learning tools and applications all accessed from within the Go-MuSo User Interface.

This software has been created to run as PORTABLE APPLICATIONS. That means they do not need to be installed on to a computer's hard drive. They run conveniently from a portable drive or flash memory (like a USB Flash Drive.) This means projects can be started at school, then taken home for further work. (As long as data is stored on the same drive.)

TwoTix Education authored and hold the copyright to the following modules:

"Go-MuSo " platform program and tutorial files.

"Uke4U" Program.

"GoGuitar" Program.

"Fabulous Fifty"

"Kiwi Music"

"Australian Music"

Various Quiz Modules relating to the program.

"100 Fun Ukulele Songs" e-book

*Some modules accessed via the **Go-MuSo** platform have been written by other software authors.*

Much of this is open source, some is freeware.

TwoTix has sought permission from these authors to use all or part of their work in this collection.

*In purchasing a license for **Go-MuSo** you are paying only for the modules authored by TwoTix.*

We are distributing the other modules without charge according to the specifications of the other authors. Their details and conditions are available from within their programs.

There are also sound and video files that have been released via the world wide web. TwoTix has sought permission to use these wherever possible.

To cover copyright TwoTix also subscribes to AMCOS/APRA.
