TOPIC 1

“WAGONS”

**COUNTRY SCHOOLS' ART**

Forty seven wagons filled with jet black coal  
Some dirty person dug it from the big black hole  
Oh yeah, I could be famous  
if I do some fancy tagging  
And bomb my name on that big black wagon  
When the train comes to a crossing  
With red lights flashing  
Lots of cars will be stopping  
Heaps of drivers will be watching  
They will see my name  
In **colourful graffiti**  
They will know who I am  
But they'll prob'ly never meet me  
My tag will beat  
The dude down the street  
My **letters will be fatter**  
They'll be cool **over lappers**  
**Gonna blend my colours**  
Far **smoother** than my brother's  
Then I'll **emphasise the outline**

And my **name will fill the frame**  
If **I plan and take my time**  
My skills will bring me fame  
No more wagons on the track  
Painted black, black, black,  
When my wagons at the crossing  
My name will be in lights  
With a ding, ding, dinging  
As the warning bells are ringing  
I want my wagon to be best  
Far better than the rest  
So I gotta **stop the talking**  
And **get on with the drawing**  
Let's do it  
Get to it  
I know how  
So let's do it  
NOW
