

Jingle bells Jingle bells Jingle all the way
Oh what fun the family have on a kiwi Christmas day.
Jingle bells Jingle bells Jingle all the way
Oh what fun the family have on a Kiwi Christmas Day.

Dashing through the sand
An ice cream in our hand
To the beach we go, not a time for snow.
Hear the church bells ring,
The carols that we sing
Oh what fun the family has on a
Kiwi Christmas Day. Oh...
(repeat Verse 1)
