If you want to play guitar

As you practice

You'll get better

Hey you're going to

Be a star.

C (major)

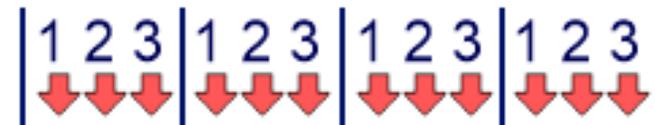

G (seventh)

STRUMMING

Fingernails across the string in a downward stroke.

3 beats per bar. First one a little louder.

Doggie in the Window

[C] How much is that doggie in the [G7] window?

The one with the waggly [C]tail

How much is that doggie in the [G7]window?

I do hope that doggie's for [C]sale

I must take a trip to [G7]California

And leave my poor sister [C]alone

If she has a dog, she won't be lonesome

And the doggie will have a good [C]home

[C] How much is that doggie in the [G7] window?

The one with the waggly [C]tail

How much is that doggie in the [G7]window?

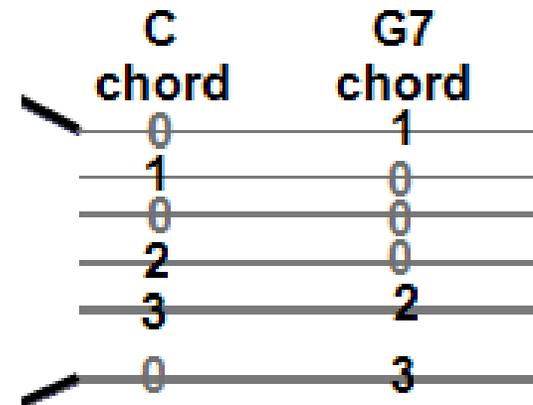

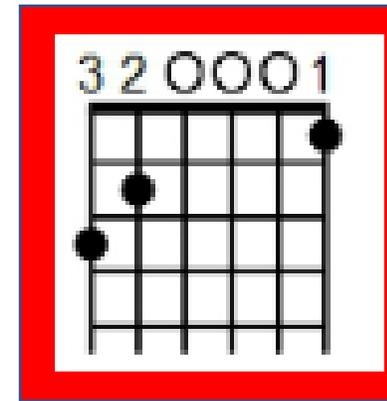

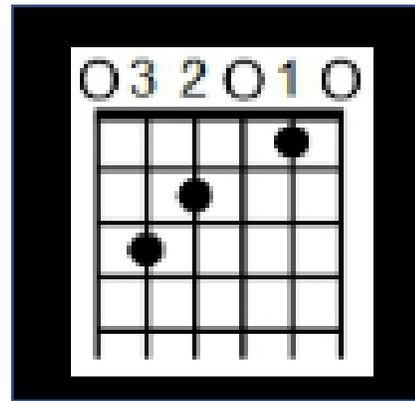

I do hope that doggie's for [C]sale

I don't want a bunny or a [G7]kitty

I don't want a parrot that [C]talks

I don't want a bowl of little [G7]fishies

You can't take a goldfish for a [C]walk

Another way to look at chords.

This uses TABLATURE
A method of reading and writing guitar music.

The lines represent the strings.

The numbers represent the frets where the finger is placed. (0 = no fingers on the string, or O for Open)

STRUMMING Same as before:

Fingernails across the string in a downward stroke.

3 beats per bar. First one a little louder.

Kuri Ki Te Wini (Doggie in the Window)
